

Terms and Conditions of use

Android applications

V1.3

Version date: 05/10/2012

Contents

- 1) **Definitions within this Document**
- 2) **Scope of this Document**
- 3) **Applicable Products**
- 4) **Ownership**
- 5) **Terms of Use**
- 6) **Liability**
- 7) **Acceptance of Terms and Conditions**

1) Definitions within this Document

- 1.1 application : any Android application produced by Infinity Solutions
- 1.2 user : any person that downloads, installs or uses an application
- 1.3 Infinity Solutions : the company that produces the application and any employees that work on a project for that company, either paid or unpaid, through contract, consultancy or freelance work

2) Scope of this Document

- 2.1 These terms and conditions apply to any Android application that is produced by Infinity Solutions and its employees.
- 2.2 These terms and conditions apply to any application as described in 1.1, regardless of where that application is downloaded from.

3) Applicable Products

- 3.1 These terms and conditions are applicable for the products identified in sections 3.2 and 3.3
- 3.2 I-Mail Free (also known as Infinity Mail Free)
- 3.3 I-Mail PRO (also known as Infinity Mail PRO)

4) Ownership

- 4.1 All written text, including computer code that forms part of an application is the property of Infinity Solutions
- 4.2 All images and graphics that form part of an application are the property of Infinity Solutions
- 4.3 No part of an application, or the application as a whole, may be reproduced, copied, given away, or sold
- 4.4 No part of any website or promotional material that relates to an application, including text, images or graphics, may be reproduced, copied, given away, or sold

5) Terms of Use

- 5.1 The user may use an application for personal or commercial use
- 5.2 The user must only download the application from the places listed in section 5.3
- 5.3
 - 1) <http://www.nextinfinity.co.uk>
 - 2) The official Google Play (TM) application store
 - 3) The official Facebook page that relates to the application
- 5.4 The user must pay any fee that is applicable to the use of an application before they commence use

6) Liability

- 6.1 The user accepts all responsibility for their actions when using an application
- 6.2 Infinity Solutions cannot be held liable for any action undertaken by a user involving an application, including, but not limited to: spam emailing; email bombing; distribution of viruses; distribution of fraudulent or otherwise illegal material; the carrying out of any other illegal activities
- 6.3 Infinity Solutions cannot be held liable for any damage caused to a user's phone or its software through the use of an application
- 6.4 Infinity Solutions cannot be held liable for the loss of any data that occurs through installation or use of an application
- 6.5 Infinity Solutions cannot be held liable for any consequential losses that occur through the installation or use of an application

7) Acceptance of Terms and Conditions

- 7.1 By downloading and installing an application the user agrees to abide by the terms and conditions set out in the above sections 1-6
